Section 4: Supporting Materials to Attach

Current Resume or Curriculum Vitae (required)

Letters of Recommendation (optional, up to 2)

Section 5: Certification

By signing below, I certify that the information provided in this nomination form is accurate to the best of my knowledge.

Signature

Name, Affiliation

Date

As required by 33 U.S.C. § 3703(c)(4), the Subcommittee on Ocean Science and Technology (SOST) Co-Chairs shall appoint members to the OAAB (taking into account the geographic interests of each individual to be appointed to ensure that an appropriate balance of geographical interests are represented) who represent the interest group for which each seat is designated; demonstrate expertise on ocean acidification or coastal acidification and its scientific, economic, industry, cultural, and community impacts; and have a record of distinguished service with respect to ocean acidification or coastal acidification, and such impacts. The SOST Co-Chairs shall give consideration to nominations and recommendations from the members of the IWG-OA and the public for such appointments and shall ensure that an appropriate balance of scientific, industry, State and local resource managers, and geographical interests are represented by the OAAB members.
